

BILLS PASSED

BY THE

HAWAII STATE LEGISLATURE

REGULAR SESSION OF 1999

SHOWING ACTIONS TAKEN AS OF

May 4, 1999

Prepared by the:

Legislative Reference Bureau Systems Office
State Capitol, Room 413
415 South Beretania Street
Honolulu, HI 96813

Caveat: While all data are believed accurate, they are subject to change pending confirmation against official records kept by the respective Chief Clerk's offices.

FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 1999. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including May 4, 1999, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Information on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Dwight Kagawa or Lori Lee Ohta. They are located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

Wendell K. Kimura
Acting Director
Legislative Reference Bureau

May 1999

- Current Status:
May-04 99 Passed Legislature
- Sections Affected: 249-5.5
- SB0036 SD2 HD1 CD1 (CCR 43) RELATING TO CONDOMINIUMS. Introduced by: Tam R (586-6450)
- Establishes provisions relating to collection from tenants to include an apartments share of common expenses, if the owner is in default for 30 days or more. Provides that a tenant's payment shall discharge that amount from the rent obligation. Requires written notice to the delinquent apartment owner. Prohibits an apartment owner from retaliatory action against a tenant and provides a complete defense for nonpayment of rent to the extent of the written demand from the board. Prohibits the board of directors from exercising this right if a commissioner or receiver has been appointed pending a mortgage foreclosure, a mortgagee is in possession, or if the tenant is served with a court order directing payment to a 3rd party. Provides control in the event of conflict of this section and provisions of the landlord tenant code. Requires the adoption and approval of a written policy by a majority vote or written consent of the apartment owners. -- Amends provisions relating to the contents of bylaws. Authorizes the association to enforce liens for common expenses, including non judicial or power of sale foreclosure procedures. -- Amends provisions relating to priority of lien for condominium common expenses. Provides that the mortgagee of record or other purchaser shall be required to pay the apartments share of common expenses at either, 36 days after a order confirming sale is filed, 60 days after a hearing at which the court grants a motion to confirm sale, or upon the recording of the deed, whichever occurs 1st. Provides an alternative to foreclosure to the association

SENATE BILLS WHICH PASSED THE LEGISLATURE

of apartment owners, after proper notice, to terminate access to common elements and cease supplying a delinquent unit with services normally supplied or paid for. Requires the adoption and approval of a written policy by a majority vote or written consent of the apartment owners. -- Amends provisions relating to an association of apartment owners funds, handling and disbursement. Authorizes deposits into credit unions. Requires all funds invested be held by the US treasury or held by a broker registered with the Securities and Exchange Commission, have an office in Hawaii and the accounts are held by member firms of the New York Stock Exchange or National Association of Securities Dealers and insured by the Securities Insurance Protection Corporation. Requires funds be invested only in demand deposits, investment certificates and certificates of deposit, and that obligations be of the US or state of Hawaii and their respective agencies, or mutual funds comprised solely of investments in obligations of the US or of the state of Hawaii. Requires obligations have stated maturities of no more than 10 years of purchase date, unless otherwise approved by a majority vote or written consent of the apartment owners. Requires board approval and disclosure of any association investment longer than 1 year. -- SB0036 CD1

Committee Reports: SSCR 388 (GOH) SSCR 845 (JDC) HSCR 1738 (CPC) CCR 43

Current Status:
May-04 99 Passed Legislature

Sections Affected: 514A- (1 SECTION), 514A-82, 514A-90, 514A-97

SB0040 HD2 CD1 (CCR 19)

RELATING TO PHYSICIAN ASSISTANTS. Introduced by: Mizuguchi N (586-6870)

Amends provisions relating to the uniform controlled substance act by adding the definition of physician assistant and supervising physician, registered under the department of public safety. Adds physician assistants registered to prescribe controlled substances under the authorization of supervising physician. Amends provisions relating to physician assistants by requiring persons to be licensed rather than certified. -- SB0040 CD1

Committee Reports: SSCR 549 (CPN) HSCR 1283 (HLT) HSCR 1729 (CPC) CCR 19

Current Status:
May-04 99 Passed Legislature

Sections Affected: 329-1, 329-38, 453-5.3, 453-5.4

SB0044 SD1 HD2 (HSCR 1811)

RELATING TO TAXATION. Introduced by: Mizuguchi N (586-6870)

Provides a general excise tax exemption and exclusion from the measure of value or gross income derived from contracting or services performed in the State for customer located outside the State. -- Allows the department of taxation to prescribe a certificate that shall be furnished to the seller or person rendering the contracting or services exported and resold, consumed, or used outside the State from the customer. -- Establishes a use tax on services which are imported, or purchased from an unlicensed seller for use in this State. Adds the definition of foreign customer, overhead, and service business or calling. Provides that use does not include the use of services imported for resale to a foreign customer outside the State to the extent the services are resold, consumed, or used by that foreign customer outside the State. -- Repeals the specific general excise exemption for technical services necessary for the production and sale of computer software shipped or transmitted out of State. -- SB0044 HD2

Committee Reports: SSCR 688 (WAM) HSCR 1424 (EDB) HSCR 1811 (FIN)

Current Status:
May=04 99 Passed Legislature

Sections Affected: 237- (1 SECTION), 238- (1 SECTION), 237-21, 238-1, 238-3, 238-5, 238-6, 238-9, 237-29.6

SB0046 SD2 HD2 (HSCR 1812)

RELATING TO SCHOOL-BASED BUDGETING. Introduced by: Mizuguchi N

SENATE BILLS WHICH PASSED THE LEGISLATURE

(586-6870)

Establishes provisions for school by school budgeting in which the department of education prepares a separate budget for each school and each school is given maximum flexibility in the execution of its budget. Requires the department to prepare and report to the individual schools and the legislature a budget for each school based on the budget submitted to the legislature by the governor. Requires each school to submit reports for the previous fiscal year to the department. -- SB0046 HD2
Committee Reports: SSCR 336 (EDU) SSCR 799 (WAM) HSCR 1321 (EDN) HSCR 1812 (FIN)

Current Status:
May=04 99 Passed Legislature

Sections Affected: 302A- (1 SECTION), 302A-101

SB0102 SD3 HD2 CD1 (CCR 153) RELATING TO HEALTH. Introduced by: Levin A (586-6760)

Establishes provision relating to a statewide rural health plan. Requires the department of health to develop a statewide rural health plan to obtain federal funds, and improve the efficiency and minimize the financial costs. Establishes the rural health special fund for the improvement of rural health needs and in accordance with federal requirements. -- Exempts the fund from contributing to central service and administrative expenses of the government. -- Requires the department of human services to conduct an annual review of the risk factor adjustment used to calculate payments to health plans under contract with the department to provide medical services. Defines risk factor adjustment as a method of compensation, derived from actual QUEST member experience, that accounts for different risk characteristics associated with the medical assistance eligibility groups. Allows the department to consult with contracted QUEST medical plans and other experts to identify or replace factors in the methodology. -- Provides that each county is requested to establish a position for rural transportation coordinator to assist in the identification, establishment, funding and coordination of affordable and convenient public rural transportation service, particularly in the county of Hawaii. -- SB0102 CD1
Committee Reports: SSCR 456 (HHS) SSCR 617 (WAM) - filed FLOOR
AMENDMENT 3 HSCR 1399 (HLT) HSCR 1765 (FIN) CCR 153

Current Status:
May-04 99 Passed Legislature

SB0238 SD1 HD2 CD1 (CCR 108)

RELATING TO REAL ESTATE BROKERS AND SALESPERSONS. Introduced by: Kanno B (586-6830)

Amends provisions relating to prerequisites for real estate brokers or salespersons by prohibiting any license, registration, or certificate to be issued to any limited liability company unless the real estate brokerage business is under the direct management of a principal broker. Allows an individual candidate to request the real estate commission to consider a preliminary decision on issuing the real estate license prior to submitting a preliminary education or examination requirements. Adds prerequisites for examination that an individual is currently licensed as a Hawaii real estate salesperson, has satisfactorily completed a commission approved prelicensing course for real estate broker candidates, or its equivalent, and has experience as a full time state licensed real estate salesperson associated with a Hawaii based real estate broker for the 3 year period immediately prior to the licensing examination and has practical real estate salesperson experience. Requires the candidate to secure commission approval of the candidate's experience certification application prior to the date of examination. -- Allows the commission to prescribe the passage of a specific section or sections of the examination for different purposes including a current out of state licensee, equivalency to continuing education requirements as determined by the commission, restoration of forfeited license, and reinstatement of license due to disciplinary action. -- Requires the biennial renewal fee and completed renewal application to be submitted to the department of commerce and consumer affairs on or before the commission prescribed deadline prior to the expiration date of the license. Provides that all real estate licenses expire on December 31 of an even numbered year. -- Adds that a forfeited license may be restored if the real estate broker or salesperson successfully completes commission approved course or courses, or the passage of commission approved examination, for licenses forfeited between 1 to 4 years, or successful passage of commission approved examination for licenses forfeited more than 4 years ago. -- Amends provisions relating to the statute of limitation. Provides that the aggrieved person shall be required to show to the court for an order directing payment out of the real estate recovery fund that where the real

SENATE BILLS WHICH PASSED THE LEGISLATURE

estate broker or real estate salesperson is a debtor in a bankruptcy proceeding, the aggrieved person has obtained an order from the bankruptcy court declaring the judgment against the broker or salesperson to be non dischargeable. -- Includes limited liability company that all condominium hotel operators have as an option to register as, with the commission. -- Requires the fee assessed for any new application be the lowest non renewable application fee for licensure presently assessed, until the fees are adopted by the director of commerce and consumer affairs. -- SB0238 CD1
Committee Reports: SSCR 647 (CPN) HSCR 1346 (CPC) HSCR 1776 (FIN) CCR 108

SB0285 SD1 HD1 CD1 (CCR 34)

RELATING TO CONDOMINIUM PROPERTY REGIMES. Introduced by: Ihara L (BR) (586-6250)

Establishes provisions relating to voluntary conversions. Authorizes the association of apartment owners to purchase, or amend bylaws to authorize purchase, the lessor's interest in the condominium project. Provides that after purchase, the association may purchase, acquire, own, improve, use and otherwise deal in and with the lessor's interest, incur liabilities, assess as a common expense the expenses incurred in acquiring the lessor's interest, and to sell the fee interest appurtenant to a condominium unit to any condominium unit lessee or subsequent purchaser. Prohibits compelling a lessee to purchase the portion of the fee interest, may instead pay lease rent to the association. Changes right of 1st refusal for condominiums and cooperative housing corporations to lease to fee conversions for condominiums and cooperative housing corporations. -- Prohibits purchase or conveyance of the leased fee interest made prior to the effective date of this Act to or by an association of owners in a good faith belief that the purchase or conveyance was valid, and no borrowing, mortgage, or pledge by an association shall be invalid because it was without capacity to do such an act or to make or receive such conveyance, transfer, or loan. Further prohibits any apartment owner from being excused from paying common expenses incurred in acquiring the leased fee interest to the land, or to service any debt. -- SB0285 CD1

RELATING TO GOVERNMENT. Introduced by: Ihara L (586-6250)

Amends provisions relating to copies of records and other costs or fees. Provides that the cost of reproducing any government records, except geographic information system digital data, shall not be less than 5 cents per page, or sheet. -- Amends provision relating to the Barbers Point (Kalaeloa) naval air station redevelopment commission. Authorizes the commission to establish advisory committees. Amends

SENATE BILLS WHICH PASSED THE LEGISLATURE

provision relating to general powers of the commission. Provides that the commission may arrange for interim services such as utilities, roadway maintenance and security to the owners of properties being conveyed by the Navy under the base realignment and closure action, and recoup costs for services from the property owners. -- Establishes the Kapolei recreational sports complex special fund. Appropriates funds pursuant to the stadium authority provision relating to contracts. Provides that all funds be separate from the stadium special fund. Requires the use of funds for payment of expenses of operation, maintenance, promotion, management and financing costs of any capital improvement project. Provides that all services be performed by persons hired by contract or otherwise, without regard to civil service and compensation provisions. Requires the authority to annually report to the legislature on all receipts and expenditures. -- Amends chapter relating to stadiums. Changes title to stadiums and recreational facilities and includes the maintenance, operation, management and promotion of the Kapolei recreational sports complex of the stadium authority within the department of accounting and general services. Provides that contracts benefit both the state and the contractor, and may contain revenue sharing incentives based on increased usage of the complex. -- Amends provisions relating to security personnel, enforcement and penalty -- Establishes the Hawaii performance partnership board, within the office of the governor, on a special and temporary basis. Annual report to the governor, the legislature, and the public. -- Amends provisions relating to the special land and development fund. Authorizes the use of funds for planning, development, management, operations or maintenance of all lands and improvements. Requires the director of finance to transfer unexpended balances of the industrial park special fund, on June 30, 1999, to the special land and development fund. -- Amends provisions relating to agricultural parks by establishing the rights of holders of security interests. -- Amends provisions relating to lease restrictions for public lands. -- Amends provisions relating to publication of notices. Requires the comptroller to determine a publication pursuant to the public procurement code for all government agencies. -- Authorizes the director of finance to invest state money in Federal Agricultural Mortgage Corporation notes and bonds, and repeals investing in joint stock farm loan bonds. -- Establishes individual development accounts law. Provides that an individual shall enter into an individual development account agreement with a fiduciary organization and the income of the household shall not exceed 80 per cent of the area household median income. Requires the organization to serve as an intermediary between account holders and financial institutions holding accounts, including marketing participation, soliciting matching contributions, counseling program participants, and conducting verification and compliance activities. Provides that the department of human services and the housing and community development corporation shall collaborate with individual development account fiduciary organizations to ensure that the accounts will be disregarded in the determination of benefits account holders may receive from the department. Requires the State to match individual development accounts, up to 100,000 dollars per calendar year for 5 years. Exempts all moneys contributed into the account, including state and private matches, individual savings, and earned interests, from taxation. Provides an income tax credit for individuals, organizations, or businesses contributing matching funds for the accounts. Requires each fiduciary organization running a program to annually report to the legislature. Requires the department of taxation to submit proposed legislation establishing a tax credit for individual development accounts. -- Amends provision relating the interagency federal revenue maximization revolving fund. -- Amends Act 11 special session laws of 1995, by repealing the sunset date. -- Appropriation to the department of education and department of health from the interagency federal revenue maximization revolving fund. SB0822 SD2 HD2 CD1 (CCR 45) RELATING TO HEALTH INSURANCE. Introduced by: Chun Oakland S (586-6130)

Allows any religious employer to request a health maintenance plan without coverage for contraceptive health care services and supplies that are contrary to the religious employer's religious tenets. Requires the health insurer, mutual benefit society, or health maintenance organization (HMOs) to provide a health plan without coverage for contraceptive health care services and supplies. Provides that enrollees in such a health plan may purchase coverage of prescription contraceptive drugs and devices and outpatient contraceptive services from the health insurer at a pro rata share of the price the group purchaser would have paid. -- Requires employer group health policies, contracts, plans or agreements under accident and sickness provisions, and employer group health policies, contracts, plans, or agreements under mutual benefit societies provisions that provide coverage for pregnancy related services to cease excluding contraceptive services or supplies. Adds that contraceptive services includes nurse practitioner delivered. Also provides that coverage for oral contraceptives include at least 1 brand from monophasic, multiphasic, and the progestin only categories. -- Requires the insurance commissioner to review the experience of employers in providing coverage of contraceptive services and supplies. SB1036 SD3 HD1 CD1 (CCR 13)

RELATING TO PERSONS WITH DISABILITIES. Introduced by: Mizuguchi N (BR) (586-6870)

Establishes the disability and communication access board within the department of health. Board to establish guidelines for the design of buildings and facilities by or on behalf of the State and counties; provide review and recommendations on all state and county plans for building and facilities; establish guidelines for the utilization of communication access services provided for persons who are deaf, hard of hearing, or deaf blind in state programs and activities; administer the statewide program for parking for disabled persons; serve as a public advocate of persons with disabilities; review and assess the problems and needs for persons with disabilities; serve as the designated state agency to coordinate the state's efforts to comply with the Americans with Disabilities Act (ADA); provide technical assistance and guidance to state and county entities to meet the requirements of state, federal, and county laws through public education programs and other voluntary compliance efforts; and administer funds. Annual report to the legislature and governor. -- Amends provisions relating to parking for disabled persons. Replaces the department of transportation with the access board to establish the fees and rules for disability windshield placards. -- Repeals the architectural access committee, the Hawaii state coordinating council on deafness, and the commission on persons with disabilities and transfers all rights, powers, functions, and duties to the disability and communication access board. Transfers all appropriations, equipment, supplies, contracts, documents, maps, and other personal property held by the commission, council, committee, or department of transportation to the access board. -- SB1036 CD1

SB1160 SD2 HD2 CD1 (CCR 44)

RELATING TO CONTROLLED SUBSTANCES. Introduced by: Mizuguchi N (BR) (586-6870)

Amends provisions relating to the uniform controlled substance act. Requires records of controlled substances to be maintained for a period of 5 years (instead of 2). --

SENATE BILLS WHICH PASSED THE LEGISLATURE

Amends provisions relating to prescription of controlled substance by requiring the prescription to include the telephone number of the practitioner and provides criteria for the prescription. Requires the hospital or other institution to forward a copy of the special internal code assigned to the physician in lieu of the registration number of the practitioner, to the department of health as often as necessary to update. Violators will have their privilege to fill controlled substance prescriptions outside of the hospital or other institution suspended. -- Provides that information communicated to a physician in an effort to unlawfully procure a controlled substance, or to unlawfully procure the administration, prescribing or dispensing of any controlled substance shall not be a privileged communication. -- Adds regulated chemicals subject to reporting to be funded by the controlled substance registration revolving fund. Includes permit for business conduct to administer the collection of funds. -- Changes precursors to the manufacture of controlled substances to regulated chemicals for the manufacture of controlled substances. Adds to list 1 chemicals requiring a report be submitted to the department of public safety from any manufacturer, wholesaler, retailer, or other person who sells, transfers, or otherwise furnishes red phosphorus, iodine crystals, gamma butyrolactone (GBL). Establishes list 2 chemicals requiring any manufacturer, wholesaler, retailer, or other person who sells, transfers any extraordinary amount of chemicals, or furnishes the chemicals through the use of an uncommon method of payment, or any other circumstances that may make a person believe that a violation may occur using the chemical, includes acetic anhydride, acetone, benzyl chloride, ethyl ether, potassium permanganate, 2 butanone (or methyl ethyl ketone or MEK), toluene, hydrochloric acid, sulfuric acid, methyl isobutyl ketone (MIBK). -- Requires a report to be filed with the administrator for any regulated transaction involving an extraordinary quantity of a listed chemical, any proposed regulated transaction with a person whose description or other identifying characteristics the department has previously furnished to the regulated person, any unusual or excessive loss or disappearance of the regulated listed chemical, any regulated transaction of a tableting machine or an encapsulating machine, and all single entity ephedrine transactions. -- Exempts any dietary supplement as exceptions to persons registered with the department. Adds that any manufacturer, wholesaler, retailer, or other person who possesses any of the substances listed for reporting with the intent to illegally manufacture any controlled substance shall be fined not more than 100,000 dollars, or imprisoned not more than 10 years, or both. Amends any violator that operates without a permit shall be guilty of a misdemeanor or class C felony if previously convicted. -- Defines ephedrine. Changes 2,5 dimethoxy 4 ethylamphetamine (DOET) to 2,5 dimethoxy 4 ethylamphetamine (DOET) and gamma hydroxybutyrate (GHB) to gamma hydroxybutyrate (GHB). -- SB1160 CD1

SB1321 SD2 HD2 CD1 (CCR 2) RELATING TO OCEAN LEASING. Introduced by: Mizuguchi N (BR) (586-6870)

Amends provision relating to the reclamation and disposition of submerged or reclaimed public land. Provides that authorization of the legislature shall not be required for leases issued under ocean and submerged lands leasing provisions. -- Amends provision relating to findings and purpose of ocean and submerged lands leasing. Provides that economic unit means the water column, state submerged lands beneath the water column and water surface above the water column. Changes definition of mariculture to include aquaculture, commercial purposes of aquatic plants and animals within state marine waters, excludes floating structures not anchored. Changes definition of marine activities to include energy or water research which are exclusive, non transient in nature, and which occupy a discrete area of state marine waters. Amends the definitions of noncommercial lease and state marine waters. -- Amends provisions relating to conservation district use application, leasing of state marine waters and submerged lands for private uses, and leasing procedure. Requires applications to include an initial description users and their uses of the state marine waters, including Hawaiian rights, and the board not to lease until after detailed consideration of present uses. Provides that the board shall require the highest qualified bidder to indemnify the applicant for all legitimate costs incurred in the preparation of any environmental assessment or environmental impact statement included in an application. -- Requires the board to minimize costs to those applicants submitting complete applications. Amends lease provisions. Requires the amount of a bond executed by the lessee to be sufficient to restore or remediate waters and submerged lands to the satisfaction of the department of land and natural resources. Requires each lease to contain a statement of the degree of exclusivity or access to the site by the public, including compatibility with existing uses, perceived liability and risk to the lessee's investment. -- Provides that revenues obtained from the leasing of state marine waters shall be deposited into the special land and development fund to be used for planning, research and development of the aquaculture industry. Repeals the amendments made to ocean and submerged lands leasing laws 5 years after the effective date of this Act (sunset). Provides that the leases granted shall not be affected by the repeal. Requires the department of land and natural resources with the cooperation of the department of agriculture to annually submit a progress report on the implementation of this chapter to the legislature. -- SB1321 CD1

SENATE BILLS WHICH PASSED THE LEGISLATURE

SB1452 HD3 CD1 (CCR 121)

RELATING TO HEALTH. Introduced by: Chun Oakland S (586-6130)

Amends patients bill of rights and responsibilities to require the insurance commissioner to report to the legislature. Requires the commissioner to contract with 1 or more certified vendors of the consumer assessment health plan survey, beginning January 1, 1999, to conduct a survey and educational program of all managed care plans actively offering managed care plans in this State. Requires each mutual benefit society, health maintenance organization (HMO), and any other entity offering or providing health benefits or services to deposit with the commissioner a fee to provide for the actual cost of the survey and educational program, and a 1 time assessment to the health insurance regulation fund. -- Defines emergency medical condition, emergency services, and stabilize. -- Adds that a managed care plan shall demonstrate to the commissioner, upon request, payment or reimbursement for adequately documented emergency services, and allow standing referrals to specialists capable of providing and coordinating primary and specialty care for an enrollee's life threatening, chronic, degenerative, or disabling disease or condition. -- Requires the managed care plan to send notice of its final internal determination of complaint or appeal to the enrollee and the enrollee's appointed representative, if applicable, and the commissioner. -- Adds that the enrollee's treating provider or appointed representative may appeal an adverse decision of a managed care plan to a 3 member review panel. Amends information to enrollees and requires a managed care plan to provide generic participating provider contracts to enrollees, upon request. -- Amends Act 246, session laws of 1998. Adds to the health plan options to reimburse an emergency provider and an emergency department for any items or services not necessary to stabilize the patient, but that are determined to be medically necessary by the emergency provider, or immediately arrange for an alternate plan of treatment for the member if a non participating emergency provider and the plan are unable to reach an agreement on services necessary beyond those immediately needed to stabilize the member. Repealed on July 1, 2003 (sunset). -- Requires the patient rights and responsibilities task force to develop proposed legislation addressing issues within the scope of the task forces' responsibilities. Report to the legislature. -- SB1452 CD1

SB1501 SD3 HD3 CD1 (CCR 119) RELATING TO EDUCATION. Introduced by: Chumbley A (586-6030)

Establishes provisions for new century charter schools. Provides that schools designated as student centered schools shall be designated as new century charter schools. Allows up to 25 schools to be established as new century schools by the creation of a new school as a new century charter school upon request through a letter of intent, an existing school by establishing a local school board as its governing body, or the creation of a new school comprised of programs or sections of existing school populations and using existing school facilities by establishing a new century charter school upon request through a letter of intent. Allows any community or any program within an existing school to submit a letter of intent to the board of education for the establishment of a new century charter school. Requires the local school board to formulate and develop a detailed implementation plan. Exempts new century charter schools from state laws except collective bargaining, discriminatory practices, and health and safety requirements. Schools shall receive an allocation of state funds based upon the operational and educational funding requirements of the schools. Requires the legislative auditor to determine the appropriate allocation based on the total department general fund appropriation and per pupil expenditure for the previous year. Requires every school to conduct annual self evaluations and report to the board of education. Requires the board to evaluate each school every 4 years. Requires the department, representatives of the major divisions in the department, unions, as well as individuals from the schools to collaborate together on a system of technical assistance. Also requires the department, through the board and superintendent of education to provide information and technical assistance to the new schools.

Repeals student centered school provisions. -- SB1501 CD1

RELATING TO DEGREE GRANTING INSTITUTIONS. Introduced by: Morihara D (586-6330)

Amends unaccredited degree granting institutions law. Establishes provisions relating to the state post secondary education commission, exceptions to this law, and power and duties of the director of commerce and consumer affairs. Amends definitions of degree, degree granting institutions, and unaccredited institution. Adds definitions of director, employee, office, presence, and student. Provides that if the unaccredited institution includes in its catalogs, promotional materials, or contracts for instruction any other information relating in any manner to accreditation, or to accreditation by an agency not nationally recognized by the US Secretary of Education, the disclosure required by this section shall be repeated on every page on which the information appears. Also provides that where the information is presented electronically, the disclosure shall be made directly preceding or following the information. Amends the text of the disclosure. Requires records of student enrollment, courses, fees, and matriculation rates to be retained for 5 years. Provides that any person who violates this law shall be deemed to have engaged in an unfair or deceptive act or practice. Requires any unaccredited institution to designate and continuously maintain an agent in this State authorized to accept service of process on behalf of the institution and information of the agent to the director of commerce and consumer affairs. Prohibits an institution not accredited by the American Bar Association to issue a juris doctor degree, master of law degree, or any equivalent or comparable degree. Prohibits any institution not accredited by the Liaison Committee on the Medical Education to issue a doctor of medicine degree or any equivalent or comparable degree. Prohibits an unaccredited institution to issue degrees unless they have an office with at least 1 full time employee and at least 25 full time enrolled students in Hawaii in each academic year. -- Prohibits any degree granting institution that operates in or from the State or has a presence in this State to accept or receive tuition payment or other fees until it complies with the requirements for registration. Prohibits an unaccredited institution to disclose in any catalog, promotional material or written contract for instruction whether it is a candidate for accreditation. -- HB0252 CD1

HB1088 HD2 SD2 CD1 (CCR 95)

RELATING TO SCHOOL ATTENDANCE. Introduced by: Say C (BR) (586-6100)

Requires the board of education to conduct a study examining the minimum age that children should attain to attend kindergarten. Requires the study to include reviews of reports on issues relevant to the kindergarten age, the kindergarten age established by other jurisdictions, the issue of whether "late born" children are not mature enough or not ready for kindergarten, the logic of how proposals to raise the kindergarten age eliminates the problem of children starting school at an earlier age than their peers, the issue of whether the kindergarten curriculum and instruction should be designed in a developmentally appropriate manner for children who now qualify for kindergarten, the provisions of H.B. No. 1088, H.D. 2 (HB1088 HD2) and H.B. No. 1088, H.D. 2, S.D. 2 (HB1088 SD2), establishment of readiness standards, the use of department of education funds, and implementation of programs for children affected by the change in entrance age and deemed not ready for kindergarten. Requires the board to consult

HOUSE BILLS WHICH PASSED THE LEGISLATURE

with public and private agencies that have expertise in this area, such as the college of education of the university of Hawaii, the Good Beginnings Alliance, and the Hawaii Association for the Education of Young Children. Report to the legislature. -- HB1088 CD1

HB1111 HD2 SD2 CD1 (CCR 150) RELATING TO YEAR 2000 ERRORS BY COMPUTER-BASED SYSTEMS. Introduced by: Say C (BR) (586-6100)

Establishes the year 2000 (Y2K) errors in computer based systems law. Provides that the a year 2000 error is the failure of a computer based system to accurately store, display, transmit, receive, process, calculate, compare or sequence date and time data from, into or between year 1999 and 2000 and beyond and leap year calculations, and a computer based system includes any computer or other information technology system, and any electronic device that controls, operates, monitors, assists in the operation or functioning of equipment, machinery, plant, or a device using an embedded or installed microprocessor or chip. Prohibits noneconomic damages, statutory minimum or treble damages being awarded under any theory of recovery, including contract and tort law, for claims arising out of a year 2000 error unless the error was intentionally created, the respondent had entered into an agreement to discover or remedy errors with the intent to defraud the claimant, or the damage or injury was caused by the dissemination of corrupted data to recipients. Provides definitions. Requires the plaintiff to contact the court to schedule a conference to discuss alternative dispute options. Requires all arbitration and judgments to state whether the claimant and the respondent engaged in commercially reasonable efforts to avoid the impact of year 2000 errors. Defines remediation steps. Provides that any award to a claimant shall be reduced by the extent of the claimants failure to engage in commercially reasonable efforts. Excludes software and hardware manufacturers from liability exemption. Prohibits credit reporting agencies from reporting negative credit information resulting from a year 2000 error. -- Amends the state tort liability law by excluding any claims arising out of a year 2000 (Y2K) error produced, calculated, or generated by a government computer system or other computer based system, regardless of the cause for the year 2000 error. -- Changes the government computer system and year 2000 compliance law to the claims against government arising out of or relating to year 2000 errors law. Provides that no action, including, without limitation, any action for declaratory or injunctive relief to be brought against the State, its political subdivisions, a board, or a government employee arising out of or relating to a year 2000 error produced, calculated or generated by a government computer system or other computer based system, regardless of cause. Authorizes an exception for gross negligence, and provides that a failure to fix or prevent an error

HOUSE BILLS WHICH PASSED THE LEGISLATURE

after a good faith effort shall not constitute gross negligence. Provides similar immunity for any person arising out of or relating to a year 2000 error by a government computer system. -- Provides that amendments to the state tort liability and the claims against government arising out of year 2000 errors provisions shall take effect retroactive of the effective date of Act 213, session laws of 1998. Year 2000 errors in computer based systems law to be repealed on December 31, 2003 (sunset). --

RELATING TO RECOVERY OF MEDICAL PAYMENTS. Introduced by: Say C (BR) (586-6100)

Amends the department of human services provisions relating to the recovery of payments and cost of medical assistance to include the department's right to full reimbursement of the costs of medical assistance or burial payment as a subrogee of a claimant shall not be diminished by the recovery of any judgment, settlement, or award of an amount less than the value of the original or settled claim as perceived or calculated by the claimant or any other person. Requires the claimant, claimant's attorney, or claimant's heirs, representatives, or beneficiaries to give the department timely written notice of any claim or action against a 3rd person if an actual notice of right to reimbursement has been received, or if there is a reason to believe that the claimant has received or is receiving medical assistance from the department. Provides that the department shall have a right to recover the full amount of the costs of medical assistance or burial payment made, if liability exists, or if the issue of 3rd party liability is settled or compromised without a finding of liability. Further provides that the department shall have a 1st lien in the full amount of the costs of medical assistance or burial payment made against the proceeds from all damages awarded in a suit or settlement. If a notice of lien is properly served to the claimant's attorney, the attorney shall pay the full amount of the lien, prior to the disbursing any proceeds to the attorney's client. If a notice of lien is properly served to the 3rd person, the 3rd person's agent, attorney, or insurance company, the person receiving the notice shall pay the full amount of the lien, prior to disbursing any proceeds to the claimant's attorney. If there is no action from the department after receiving timely written notice, the department shall determine its fair contribution toward attorney fees and costs based solely upon legitimate costs and services rendered by the claimant or claimant's attorney in recovering the lien amount. -- HB1125 HD2

HB1183 HD2 SD2 CD1 (CCR 96) RELATING TO BEACH LANDS. Introduced by: Say C (BR) (586-6100)

Establishes provision relating to the restoration of beach lands. Allows the board of land and natural resources to do all things necessary, useful, and convenient in connection with the restoration of beach lands, subject to all applicable laws, and may provide any necessary assistance to any county or nongovernmental organization in the restoration of beach lands so long as the public interest is served. Requires the department of land and natural resources to prepare and revise plans for the restoration of beach lands which shall guide the board in identifying those beach lands in need of restoration. Authorizes the board to lease coastal lands for the purpose of generating revenues to be deposited into the beach restoration fund. Provides that the board may undertake on appropriate development, including any building or mining operation, any materials change in use, intensity of use or appearance of any structure or land, fast or submerged, or the division of land into 2 or more parcels, to generate revenue for beach restoration. Establishes the beach restoration special fund. Appropriation out of the special land and development fund for deposit into the beach restoration special fund. Appropriation out of the beach restoration special fund to the department for the restoration of beach lands. (\$\$) -- HB1183 CD1

HB1675 HD1 SD1 CD1 (CCR 177) RELATING TO HAWAIIAN HOME LANDS TRUST INDIVIDUAL CLAIMS. Introduced by: Hamakawa E (586-8480)

Amends provisions relating to individual claims resolution under the Hawaiian home lands trust. Extends the deadline for the preparation and transmittal of a final report on individual claims resolution under the Hawaiian home lands trust to the legislature and the governor to 2000 (from 1997). Extends the term of office of each member of the Hawaiian home lands trust individual claims review panel until December 31, 2000 (from 1999). Provides that claimants may file an action no earlier than October 1, 2000. Requires an aggrieved individual claimant to file a written notice with the panel no later than October 1, 2000 (from 1999), that the claimant does not accept the action taken by the legislature in regular session upon the claim. Provides for a limitation on actions unless the action is commenced by December 31, 2000 (from 1999). -- Establishes a Hawaiian home lands trust individual claims compensation commission, within the legislative reference bureau, to develop proposals for alternative means of compensating claimants who have received a favorable ruling under the Hawaiian home lands trust. Report to the legislature. Commission shall cease to exist on June 30, 2000 (sunset). -- HB1675 CD1

HB1711 HD2 SD1 CD1 (CCR 60) RELATING TO KANEOHE BAY. Introduced by: Ito K (586-8470)

Amends provisions relating to public land. Repeals provisions prohibiting any lease of public lands, including submerged lands, or any extension of any such lease to be issued by the State to any person to construct, use, or maintain a sunbathing or swimming pier. Provides that approval from the governor and authorization from the legislature shall not be required for any grant of easement or lease of submerged lands or lands beneath tidal waters used for private residential noncommercial piers or docks. Requires any existing private residential noncommercial pier in Kaneohe bay located offshore of property between Kealohi Point and Nuupia Pond, on the effective day of this Act, to be considered nonconforming for the purposes of conservation districts, provided that the owner of the pier obtain all necessary approvals and land disposition from the department of land and natural resources. Establishes a lease rent moratorium on all submerged lands and private noncommercial piers in Kaneohe bay, until the department adopts a pier lease rent formula. Requires the department to establish an equitable solution for lessees who have been paying rent. -- HB1711 CD1
